Exemption from Workers' Compensation

Before the Contractors State License Board (CSLB) can issue a new license or reinstate, reactivate, or renew an existing license, the applicant or licensee must have on file a Certificate of Workers' Compensation Insurance or a Certificate of Self-Insurance issued by the Director of Industrial Relations, or must obtain an exemption by completing and submitting these forms.

To be exempt from workers' compensation, an applicant or licensee must submit this form to CSLB, certifying under penalty of perjury that he or she does not employ anyone in a manner that is subject to the workers' compensation laws of California. (See *Business and Professions Code Section 7125.*)

DO NOT SUBMIT THIS FORM IF:

- You have an inactive license.
- The license qualifier is a Responsible Managing Employee (RME).

For exemption from workers' compensation, you must complete the requested information, check only one of the boxes, and sign the form.

Please type or print neatly and legibly in black or dark blue ink.

I certify under penalty of perjury under the laws of the State of California that the information provided on this exemption statement is true and accurate. I also understand that, as soon as I employ anyone subject to the California's workers' compensation laws, I must obtain a Certificate of Workers' Compensation Insurance, submit that certificate to CSLB within 90 days of its effective date, and continuously maintain the coverage provided by the certificate in accordance with the law. I further understand that failure to comply with this requirement is grounds for disciplinary action. (The definition of "perjury" is telling a lie while under oath.)
